EXPERT PRACTICAL HELP FOR SCHOOLS

REGIONAL PHYSICS DAY IN CANTERBURY

- Supporting subject knowledge - Building practical confidence - Sharing teaching ideas

Following the success of last year's first Regional Day in Canterbury, this FREE event promises to be even better.

All are welcome: teachers of physics (especially useful for non-specialists), trainees and technicians. A fantastic opportunity to network with colleagues from across Kent.

There are 16 workshops to choose from, with themed strands focusing on GCSE, A level, numeracy & technology and leadership.

Breakfast, lunch and other refreshments included.

The day is organised and funded by the IOP's Stimulating Physics Network and Physics Partners.

DATE: Saturday 2 March, 2019

LOCATION: St. Anselm's Catholic School, CT1 3EN

TIME: 9.15 am - 4.15 pm

BOOK VIA: bit.ly/SPNCanterbury

EMAIL: Christina Astin (christina@astinconsulting.com)
