Recruitment Workshop for students who are Neurodiverse or with Disabilities

In this session, you will explore the theme of disability in the workplace.

Hearing from a recently recruited Graduate who describes her journey from deciding which of the employers to apply to, how to navigate the application and assessment process successfully and what to expect once in post.

You will explore what makes a company accessible and inclusive for all and use that knowledge to further understand how to create a working environment that is right for you.

You will be given details on what reasonable adjustments may be available, how to ask for them, challenges you might face and strategies to support your relationship with your manager.

You will be required to think about how employers can improve accessibility and ensure sustainable and diverse productive workforces are developed.

Application Deadline: 01/03/2022
